Our Vision

We strive to Promote Holistic Education of the Young, Especially of the Marginalized in the Don Bosco Way Making Them Agents of Transformation for a Better Tomorrow.

Our Mission

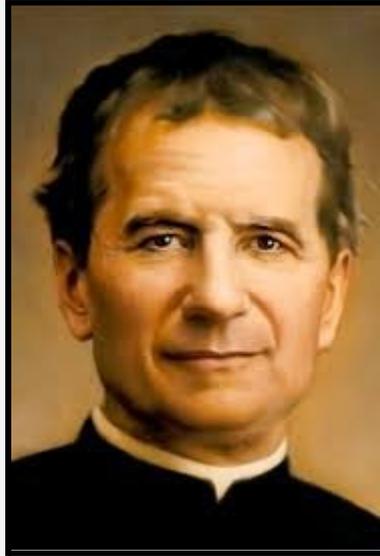

Provide youngsters with an integral formation of Academics, Professional and Human commitment.

Our Approach

Our educational philosophy and style is founded on three principles - *Reason*, *Religion* and *Loving Kindness*. We achieve this by striving for a close interaction between Academics and Value Formation. Special attention is focused on the formation of educators. We have imbibed a family spirit characterized by the presence of teachers and administrators among and for the students.

ST. JOHN BOSCO, AN APOSTLE OF THE YOUNG

John Melchior Bosco, popularly known as Don Bosco, was an Italian Roman Catholic priest, educator, and writer of the 19th century. While working in Turin, where the population suffered many of the ill-effects of industrialization and urbanization, he dedicated his life to the betterment and education of street children, juvenile delinquents and other at-risk youth. Don Bosco developed a teaching method based on love rather than punishment, a method that became known as the Salesian Preventive System. It is based on three pillars: Reason, Religion and Loving Kindness.

Don Bosco was canonized as a Saint on April 1, 1934 and was given the title of **"Father and Teacher of Youth"**. He is the patron saint of apprentices, editors, publishers, school children, young people, magicians & juvenile delinquents.

FROM THE DIRECTOR'S DESK

Dear Readers and the Student Community,

It gives me immense joy to welcome you to Don Bosco College Panjim. Our Institution is not just about social gathering or imparting of information but it is more to do with the formation of every youngster, cultivating his/ her character. As our Father and Founder, St. John Bosco said, "Here in our Institution we form the minds and hearts of every youngster into becoming Good Youngsters and Honest Citizens."

Keeping the above in mind we keep the young in focus and help them find meaning in this fast-changing world. Our focus on excellence, is also coupled with creativity and moral and ethical values so as to make every youngster not only skilled professional but also great human beings.

Opportunities abound. Come, Explore and Transform yourselves. All the best in your Academic journey.

Fr. Kinley Luke D'Cruz
Director

FROM THE PRINCIPAL'S DESK

As the Principal of Don Bosco College, it is my distinct pleasure to welcome the incoming batch for the 2026-27 academic year. By joining us, you become part of a prestigious Salesian tradition that has been a cornerstone of education in Goa since 2001.

Rooted in the pillars of Reason, Religion, and Loving Kindness, our mission is to "Inform, Inspire, Involve, and Innovate." Whether you are enrolled in B.Com, BBA- (Gen/Travel & Tourism), BCA, BA (English/ Psychology, or Mass Communication), or our unique BPEd program, you will experience a curriculum aligned with NEP 2020 that prioritizes both academic rigor and ethical grounding.

We focus on a skill-first approach, bridging industry gaps through our Training, Internship, and Placement (TIP) Cell to ensure you are career-ready or prepared for entrepreneurship. Beyond the classroom, our vibrant Panaji campus offers rich co-curricular life, from national-level sports to experiential field trips.

As we prepare to transition into our new "State of the Art" eight-story facility, I invite you to explore our departments and register via the DHE e-Samarth portal.

Welcome to the Don Bosco family—let's scale new heights together!

Prof. Teotone Vaz (M.Sc., Ph. D.)

Principal

Infrastructure

Don Bosco College is fully equipped with classrooms, labs, library, media studio, halls, auditorium, multiple indoor and outdoor playgrounds, a hostel, canteen, counselling, prayer and parking facilities. High speed internet, wi-fi facility and modern technology is part of its academic success. Students receive hands-on training from the faculty.

Campus

Located in the heart of Goa's capital city, Panjim, with everything just a hop and skip away, provides galore of opportunities for building a strong and healthy future. The Don Bosco Campus is always bustling with life and activity and still propagates a quiet and education-oriented environment.

Counseling Center

The Counseling Center at Don Bosco Panjim College is a dedicated space for promoting emotional well-being, mental health, and holistic personal growth among students and staff. Guided by the Salesian spirit of care, respect, and accompaniment, the Center seeks to foster a supportive and confidential environment where individuals can seek guidance, express their concerns, and develop resilience in the face of personal and academic challenges.

We believe that mental health is an integral part of overall well-being and academic success. The Counseling Center is committed to nurturing not only intellectual excellence but also emotional and psychological strength, helping members of our college community lead balanced and meaningful lives.

Teaching Facilities

The college offers well-equipped, technology-enabled learning spaces with dedicated classrooms featuring computers,

LCD projectors, and Wi-Fi connectivity to ensure a seamless teaching-learning experience. The integration of the Learning Management System *Moodle* supports online instruction, lecture archiving, attendance, assignments, and evaluation. Additionally, virtual classrooms and accessible, well-equipped labs during college hours further enhance flexible and effective learning for students.

IT Infrastructure

To stay at the top of your game, the need for adopting and adapting to the latest developments in the education sector is essential. As the world becomes technologically advanced, our students must be enriched with the latest technological infrastructure so as to tackle academic challenges. We have taken it upon ourselves to ensure that the institution and its students benefit from the latest in software and digital tech.

Sports Infrastructure

Character isn't shaped only in the classroom but is also developed on the field. The holistic development of students demands an all-round approach that we are only too happy to provide. Sporting activities train you, not just in teamwork and discipline but shape you to be better individuals as well.

Media Infrastructure

The college has a dynamic media cell supported by state-of-the-art infrastructure that enables students to develop and showcase their creative talents. With access to advanced equipment such as DSLRs, 4K video cameras, and a fully equipped,

soundproof media studio, students can engage in photography, filmmaking, and content creation. The studio features professional tools including three-point lighting, green screen, audio-video mixers, teleprompters, and editing facilities, offering a real-world production experience. Student work is further showcased through platforms like the *Don Bosco TV*, encouraging practical learning and creative expression.

College Library

At the Don Bosco College Library, we are dedicated to fostering a culture of learning, discovery, and intellectual growth. As the heart of the academic community, our library serves as a dynamic hub where students, faculty, and researchers come together to engage with a diverse range of resources, ideas, and perspectives.

Spirituality

The mind is a powerful tool but it is the spirit that governs how that mind is used. This is why fostering a sense of spirituality in students lies at the crux of our beliefs. What initially began with a focus on religious values now emphasizes knowledge-based and information-oriented education which helps impart a strong sense of values

and morals into young minds. After all, how one explores spirituality will always guide the way they think and act.

Memorandums of Understanding (MoU) & Collaborations

We have forged associations with well-known academic and industry path-makers, in order to provide students with additional exposure and value to their overall learning experience. By associating with well-known organisations, students can leverage these associations to obtain intrinsic industry knowledge and can even receive mentoring and assistance in developing and giving shape to their ideas from experienced industry leaders.

Some of our associations include -

1. Nirmala Institute of Education

Focuses on collaborative research, academic resource sharing, and faculty–student development initiatives. The partnership enables joint workshops, seminars, and the exchange of expertise and infrastructure for holistic training.

2. St. Joseph Vaz College

Promotes interdisciplinary research, resource sharing, and capacity-building programs. Students benefit from joint academic activities, workshops, and exposure to shared institutional expertise.

3. International Physical Literacy Association

Aims to enhance awareness and implementation of physical literacy in education. Activities include conferences and workshops that build understanding of holistic physical development.

4. VanillaKart

Strengthens industry–academia linkage by facilitating internships and placements. Students gain practical exposure through expert sessions and interaction with industry professionals.

5. Open Destinations

Supports research, development, and placement opportunities in the travel and tourism sector. Students benefit from industry exposure and evaluation processes by professionals.

6. Maxxcell Institute of Professional Studies

Provides internship opportunities, career guidance, and soft skills training. It also assists students in exploring higher education opportunities in India and abroad.

7. Goa Management Association

Facilitates lectures, panel discussions, internships, and placement opportunities. Students engage in industry-oriented programs that enhance managerial and leadership skills.

8. 91 HR

Offers training, on-the-job learning, and research opportunities. The collaboration supports internships and placements, enhancing employability skills.

9. Make It Happen Thematic Trails Pvt. Ltd.

Enables recruitment, field visits, and experiential learning through industry engagement. Students gain hands-on exposure via internships, guest lectures, and placement opportunities.

10. Bodhi Pedagogy Services LLP

Provides guidance and training for competitive examinations such as banking and GPSC. Students benefit from awareness sessions and structured mock practice programs.

11. Achiever Entrepreneurs

Encourages academic and research collaborations through webinars, guest lectures, and projects. It supports entrepreneurial learning and skill development among students.

12. Soul Travelling

Focuses on industrial training, skill development, and research initiatives. Students gain exposure through internships, placements, and interactive industry sessions.

13. Syscon

Provides recruitment support, industry-oriented courses, and professional sessions. The collaboration enhances students' technical and employability skills through internships and placements.

14. GDP Foundation

Enhances curriculum through industry partnerships and skill-based training. Students receive practical exposure in areas such as public relations and video production.

15. WOW Foundation Goa

Organizes webinars, lectures, and internship opportunities. The collaboration promotes awareness and student engagement through seminars and outreach activities.

16. Fifteen73 Media

Provides training in public relations, social media, and digital marketing. Students gain hands-on experience through internships and live event exposure.

17. Performance Matrix

Supports recruitment, placements, and industry-focused training sessions. Students benefit from skill enhancement programs aligned with corporate expectations.

18. Aaji Care

Focuses on awareness programs and part-time internships. Students engage in initiatives such as mental health awareness and community outreach.

19. EduAdvise International

Provides guidance for overseas education and global career opportunities. Students benefit from international exposure, university sessions, and placement assistance abroad.

20. Goa Chamber of Commerce and Industry

Facilitates industrial training, skill development, and industry interaction. The partnership offers guest lectures, field visits, and networking opportunities with industry leaders.

21. Haztech

Promotes service learning, internships, and on-the-job training. It aims to provide industry-relevant exposure through periodic training sessions.

22. Sangath

Offers internships, field visits, and awareness programs in mental health. Students gain practical exposure to community-based research and intervention.

23. Chances

Provides industrial visits, training, and placement opportunities in the hospitality sector. Students gain hands-on experience through internships and industry exposure.

24. The Owl House

Focuses on experiential learning, clinical exposure, and neurodiversity awareness. Students benefit from internships, training programs, and practical engagement in special education.

25. ExcelR

Supports entrepreneurship development, industry-relevant lectures, and curriculum enhancement. The collaboration aligns academic learning with current industry demands.

CODE OF CONDUCT

As students of Don Bosco College, you are expected to uphold the highest standards of behaviour, ethics, and respect for others at all times. The following rules and regulations must be adhered to:

Punctuality

- Students must arrive at college and be in their respective classrooms 10 minutes before the scheduled lecture.
- Frequently arriving late will result in students not being allowed to attend classes and being marked absent.
- Habitual tardiness may result in disciplinary action.

Parking

- Students are permitted entry/exit only from the gate in front of the Shrine near the statue of Our Lady of Fatima.
- The parking facilities within the college campus are for students' bicycles and two wheelers only.
- Students failing to wear helmets will be denied parking access on campus.
- Students are not permitted to bring cars or any other four-wheeled vehicles inside the campus.
- Students must cooperate with security personnel regarding parking regulations. Disrespecting security staff will lead to immediate disciplinary action.

Attendance

- Attendance regulations will be followed as per OA-17 of the Goa University. Only students with 75% attendance or higher will be permitted to take final examinations.
- Students who skip two or more days of regular college will have to provide a written explanation of their absence. Failing to do so will result in the intimation to parents via email.
- For intercollegiate events/activities, only authorized participating students will be granted attendance for the classes held on that day. Students

attending such activities on their own accord will not receive any attendance adjustment for their respective subjects.

Dress Code

- The full college uniform, including a scarf for girls and ties for boys, must be worn everyday (Monday to Friday), as well as on other days specified by the college authorities.
- Students must wear the college uniform or T-shirt with the college logo and non-distressed black or blue jeans on Saturdays
- Appropriate formal footwear must be worn on uniform days. Black sandals or black rainy shoes are permitted during the monsoon season.
- For even semesters, closed black formal shoes must be worn. Coloured shoes or sandals are permitted on non-uniform days. Flip-flops and crocs are strictly not allowed.
- A clean, neat, and modest appearance must be maintained on campus at all times.
- The college dress code must be followed, including restrictions on inappropriate or offensive clothing.
- Students are not allowed to wear jackets or sweaters that conceal the official uniform.
- Students must wear their valid college ID card at all times on campus and while representing the college in activities outside the campus.

Behaviour and Conduct

- Respectful and courteous behaviour towards faculty, staff, priests, and fellow students is expected at all times.
- Posting defamatory or derogatory content on social media that violates the institution's ethos and values will result in severe disciplinary action.
- Fighting, bullying, harassment, use of profane language, or any other disruptive behaviour will result in disciplinary action.
- Smoking, consumption of alcohol, or use of illegal substances is strictly prohibited on campus.
- All complaints or grievances should be brought to the attention of the competent authorities.

Campus and Facilities

- Students must help maintain a clean environment by taking care of their classrooms, equipment, and all college facilities.
- Any damage to college property due to negligence or intentional acts will result in fines and/or disciplinary action.
- Students must follow all safety guidelines and instructions given by faculty and management.

Note: The college reserves the right to modify these rules and regulations as needed and take appropriate disciplinary actions, including suspension or expulsion, for any violations. It is the responsibility of every student to familiarize themselves with and abide by this code of conduct.

ADMISSION PROCEDURE

As part of the implementation of the *National Education Policy (NEP) 2020* in the State of Goa, all undergraduate programmes (aided and self-financed) have been brought under the administrative purview of the Directorate of Higher Education (DHE), Government of Goa, with effect from the academic year 2023–24.

GUIDELINES

- The online admission process for the academic year 2026–27 has been updated to include mandatory registration with the Directorate of Higher Education (DHE), Goa.
- All UG admissions will be conducted through the Samarth e-Gov Central Government platform, commencing from: 21st March 2026.
- Applicants are required to register only once on the Samarth e-Gov portal, even if applying for multiple programmes within the same college.
- Registration on the Samarth e-Gov platform is free of cost.
- A Help Desk is available at the College Library (3rd Floor) to assist applicants with the registration process.

ADMISSION PROCESS

1. Online Registration

Applicants must complete the online application form on the DHE, Government of Goa portal, providing all required details, including personal data, documents, and photographs.

2. Application Verification & Assessment

Upon successful verification, applicants may be required to appear for an entrance examination and/or interview (video, telephonic, or in-person), as per Government notifications.

3. Shortlisting of Candidates

Candidates will be shortlisted based on their HSSC results and interview performance. Certain programs such as BCA, BBA, BBA (T&T) & BPEd will have an entrance test. Intimation will be communicated accordingly.

4. **Document Verification**

Shortlisted candidates must undergo physical verification of documents, as per the guidelines shared by the institution.

5. **Confirmation of Admission**

Admission will be confirmed upon full payment of academic fees within the stipulated timeframe. Fee Structure as per Goa University.

ACADEMIC PROGRAMS

Don Bosco College offers a rich academic experience where students interact with engaging faculty across disciplines. At its core, Don Bosco College is guided by the Salesian philosophy of education - reason, faith & love.

Our campus is part of the fabric of Panjim, a national capital for arts and entertainment, innovation and technology, business and entrepreneurship. Students participate in unique academic experiences in the surrounding city and throughout the world.

Bachelor of Arts - English [BA ENG]

3 years • 60 Seats* • Under Graduate Program

GRANT IN AID

This program is structured under the National Education Policy (NEP) with multiple exit options leading to either Hons degrees, general graduation or diplomas.

A BA in English is a versatile degree focusing on critical thinking, cultural history, and communication. It is not just about reading novels; it's about understanding how language shapes our reality, politics, and culture. It spans different eras - from Shakespeare to Post-colonial - while integrating modern skills like digital content creation and critical theory.

FEATURES & HIGHLIGHTS

- The program aims to hone the soft skills with an emphasis on communication skills through group discussion, individual speech and role play.
- Students shall also be encouraged to inculcate essential life skills such as critical thinking, cultural sensitivity, stress management and empathy.

- Exploration of various genres of literature like poetry, short stories, novels and drama through textual analysis, theatre, creative exhibition, oratory monologue, group discussion and brainstorming.
- Extensive instruction in the art of creative writing to develop an understanding of grammar, rhyme, rhythm, dramatic narration and the publishing process.
- Engaging classroom environment through reflective approach and interactive teaching to deal with realities of our country and the world at large.
- Highly competent faculty dedicated towards the overall development of the students.
- Trains students for diverse career options, including academia, journalism, book publishing, and others.

PREREQUISITES & ELIGIBILITY

- Applicants successfully completing their HSSC or +2 equivalent certificate recognized by Goa University with over 40% marks are eligible for the program.
- Entrance exam and/or interview with the applicant.

**Total 60 seats mentioned to be shared between B.A. English & B.A. Psychology.*

Bachelor of Arts - Psychology [BA PSY]

3 years • 60 Seats* • Under Graduate Program

GRANT IN AID

The Department of Psychology offers a B.A. Psychology (Honours) program designed under the National Education Policy (NEP) to equip students for successful careers in psychology.

A Don Bosco College B.A. Psychology Degree empowers graduates for diverse career paths. They can pursue postgraduate studies in psychology or directly enter the workforce in a variety of fields.

This versatility allows them to thrive in settings like hospitals, NGOs, educational institutions, and corporations, both in India and abroad.

Graduates can leverage their expertise in counseling, human resources, education, and market research, making them valuable assets in various sectors.

FEATURES & HIGHLIGHTS

- The curriculum delves into a wide range of psychology topics such as social, abnormal, counselling, and organizational psychology.
- Students gain a deep understanding of human behaviour, mental health, and problem solving.

- The program bridges the gap between theory and practice through engaging presentations, group discussions, experiments, role plays, and seminars. This immersive approach fosters the development of critical thinking, communication, interpersonal skills, and personality in our students.
- Highly qualified and recognized faculty members, with their passion and expertise, will guide students throughout their academic journey.
- Education field trips offer invaluable insights through interactions, collaborations, and visits to mental health institutions across the country, providing exposure to industry experts.
- Additionally, the advanced psychology lab is equipped with the latest experimental materials and psychological tools, including personality and intelligence tests. This hands-on experience solidifies students' understanding of psychological assessment.

ADMISSION PROCESS

- Applicants must register for the program by filling in the online application form at the Govt. of Goa, DHE website and providing necessary information in the form of data, documents and photographs.
- Upon successful verification of the online application, an entrance exam and/or a video/telephonic/physical interview will be scheduled and conducted, subject to Govt. notifications
- Based on the interview & HSSC results, the applicant will be short listed and intimated of the same.
- A physical verification of documents will be carried out for which guidelines will be communicated to the applicant accordingly
- Student candidacy will be confirmed upon full payment of academic fees.

PREREQUISITES & ELIGIBILITY

- Applicants successfully completing their HSSC or +2 equivalent certificate recognized by Goa University with over 40% marks are eligible for the program.
- Entrance exam and/or interview with the applicant.

Bachelor of Commerce – Financial Accounting [B. Com.]

3 years • 60 Seats • Under Graduate Program

GRANT IN AID

This program is structured under the National Education Policy (NEP) with multiple exit options leading to either Hons. degrees, general graduation or diplomas.

The Bachelor of Commerce in Financial Accounting is designed to offer comprehensive training, knowledge and understanding of financial accounting, auditing and taxation methodologies, policies and rules. This course trains students in the fields of financial accounting, business law, corporate taxation, and auditing.

- The BCOM Course was established in July 2023
- The new course structure according to NEP is followed.

FEATURES

The course aims to equip students with knowledge, skills and attributes for critical thinking. The specialisation offered in this course is financial accounting.

1. The program imparts distinctive training through presentations, group discussions, case studies, role plays and seminars. The programme helps to develop integrated skills and not only theoretical knowledge.
2. Developing competence in communication skills and building confidence to face a challenging corporate world.
3. Adorn critical thinking and perceptive skills to make conducive decisions at personal and professional levels.
4. Highly-qualified and experienced faculty who instill leadership, collaborative skills, foster spirit of cooperation and a positive attitude for excellence.
5. Interactive classes with brainstorming sessions, group discussions, online quizzes and frequent case studies related to the topics to arrive at sustainable solutions to real-world problems.

ADMISSION PROCESS

- Applicants must register for the program by filling up the online application at the Govt. of Goa DHE website and providing necessary information in the form of data, documents and photographs.
- On successful verification of the online application an entrance exam and/or video/telephonic/physical interview will be scheduled and conducted subject to Govt notifications.
- Based on the interview & HSSC result the applicant will be short listed and intimated of the same.
- A physical verification of documents will be carried out for which guidelines will be communicated to the applicant accordingly.
- Student candidacy will be confirmed on full payment of Academic Fee.

PREREQUISITES & ELIGIBILITY

- Applicants successfully completing their HSSC or +2 equivalent certificate recognized by Goa University with over 40% marks are eligible for the program.
- Entrance exam and/or interview with the applicant.

Under Graduate Programs Self Finance

Bachelor of Business Administration [BBA]

3 years • 40 Seats • Under Graduate Program

SELF FINANCE

This Bachelor's Degree program focuses on Management and Administration studies. It covers all the basic elements of Management education. It includes subjects in various domains to build an overall perspective. Industry based projects are undertaken as part of the curriculum. The department has membership with the Goa Chamber of Commerce and Industry which enables us to provide students with a forum for industry interaction.

The BBA program is an ideal preparation for students entering the corporate sector. Aimed at developing an entrepreneurial mindset, the Department of Business Administration conducts curricular and co-curricular activities to deliver high quality professional education.

FEATURES & HIGHLIGHTS

- The program imparts distinctive training through presentations, group discussions, case studies, role plays and seminars. Students are trained to

develop integrated skills and not only theoretical knowledge. An important component is soft skills and conversational skills in English.

- Working hand-in-hand with the industry to prepare students for managerial challenges of the 21st century.
- Developing critical thinking, communication skills, conceptual clarity and other essential components for building future entrepreneurs
- Interactive classes with brainstorming sessions, group discussions and frequent case studies to arrive at sustainable solutions to real-world problems.
- Highly-qualified professional faculty who instill leadership, community citizenship, and a positive attitude for excellence and committed service.
- Use of video presentations, online quizzes and a unique teaching style by each faculty ensuring students are provided with the best learning support in the discipline.

ADMISSION PROCEDURE

- Applicants must register for the program by filling in the online application form at the Govt. of Goa, DHE website and providing necessary information in the form of data, documents and photographs.
- Upon successful verification of the online application, an entrance exam and/or a video/telephonic/physical interview will be scheduled and conducted, subject to Govt. notifications.
- Based on the interview & HSSC results, the applicant will be short listed and intimated of the same.
- A physical verification of documents will be carried out for which guidelines will be communicated to the applicant accordingly.
- Student candidacy will be confirmed upon full payment of academic fees.

PREREQUISITES & ELIGIBILITY

- Applicants successfully completing their HSSC or +2 equivalent certificate recognized by Goa University with over 55% marks are eligible for the program.
- Mandatory entrance exam
- Interview with the applicant

Bachelor of Arts
Mass Communication & Journalism [BA MCJ]
3 years • 40 Seats • Under Graduate Program

SELF FINANCE

This program nurtures the holistic growth and development of students in the field of Mass Communication and Journalism by equipping them with a global perspective and the skills needed to adapt to the evolving media landscape. Through a strong emphasis on hands-on, practical learning, it empowers students to explore opportunities beyond the classroom, preparing them to become dynamic and forward-thinking media professionals.

The BAMCJ program offers a comprehensive study of the core components of mass media, including print journalism (newspapers and magazines), film, radio broadcasting, television as well as new media. It focuses on how these platforms function as channels of information dissemination and audience engagement. The program aims to equip students with a solid grounding in journalistic practices, media production, and content development across multiple platforms.

Emphasis is placed on building competencies in news reporting, editing, media ethics, and digital storytelling, while also fostering a critical understanding of the role of media within the socio-cultural and political landscape. By integrating theoretical knowledge with practical training, the program lays a strong foundation in the arts and media studies, preparing students for professional roles in the dynamic media and communication industry.

FEATURES & HIGHLIGHTS

- A comprehensive, practice-oriented curriculum that promotes experiential learning beyond the traditional classroom environment.
- Access to a fully equipped audio-visual studio, enabling students to experiment with production techniques and develop technical proficiency.
- Publishing and managing the Department Magazine, providing hands-on experience in editorial workflows, content curation, layout design, and print/digital production.
- Opportunities to enhance applied skills by contributing to Campus Notes, for the college's YouTube channel focused on documenting and producing campus-based content.
- Structured internship opportunities with media houses, production studios, advertising agencies, and news organizations to gain real-world industry exposure and professional networking.
- Hosting *Cinemia*, the flagship departmental film event, organized in collaboration with the domain club *The Cinemaniacs*, fostering creativity, film appreciation, and critical analysis.
- Organizing *PrimeTime*, an inter-school media event for Higher Secondary students, promoting early engagement with media studies and creative communication practices.
- Active participation in domain-specific clubs such as *Pixels Club* (Photography) and *The Cinemaniacs* (Film), encouraging skill development in visual storytelling, cinematography, and film discourse.
- Encouraging student participation in State, National, and International filmmaking competitions to enhance practical expertise, portfolio development, and global exposure.
- Hands-on training in scriptwriting, pre-production planning, and the creation of short films and documentaries under the mentorship of experienced faculty.

ADMISSION PROCESS

- Applicants must register for the program by filling up the online application at the Govt. of Goa DHE website and providing necessary information in the form of data, documents and photographs.
- On successful verification of the online application and based on the HSSC result the applicant will be shortlisted and intimated of the same subject to Govt. notifications.
- A physical verification of documents will be carried out for which guidelines will be communicated to the applicant accordingly.
- Student candidacy will be confirmed on full payment of Academic Fee.

PREREQUISITES & ELIGIBILITY

- Applicants successfully completing their HSSC or +2 equivalent certificate recognized by Goa University with over 40% marks are eligible for the program.

Bachelor of Computer Applications [BCA]

3 years • 80 Seats • Under Graduate Programs

SELF FINANCE

BCA is an undergraduate degree course in computer applications. With the rapid growth of the IT industry in India, the demand for computer professionals is increasing day by day.

This increasing growth of the IT industry has created a lot of opportunities for computer graduates. It is one of the popular courses for the students who want to make it big in the Information Technology field.

The BCA program exposes students to developing, programming, networking, computer and mobile software, app development, etc. It offers great opportunities to students to learn new skills and take advantage of opportunities coming their way.

FEATURES & HIGHLIGHTS

- Delivering quality education to churn out young competent professionals to face complex global challenges in web development, programming and app development.

- Practical-based learning which includes lab demonstrations, simulations, and hands-on coding.
- Regular exposure to workshops and seminars covering innovations and latest technologies in the field.
- Interactive teaching approaches using presentations, debates, discussions, and the flipped classroom method.
- Opportunities to take up Live-projects and work directly in the industry during the course of the year.
- Taking up own projects with full support and guidance provided by in-house faculty.
- Numerous lateral courses to help bridge the gap between the industry and the real world.

ADMISSION PROCESS

1. Registration & Academic Profile

Applicants must register via the Goa University Portal. Along with standard documents and photographs.

2. Entrance Evaluation & Eligibility

In accordance with NEP norms, admission is primarily merit-based. Applicants must appear for the specified Entrance Examination as notified by the College.

- Weightage: The final merit list will be prepared based on a combination of HSSC (12th grade) results and Entrance Exam scores.
- Interview: A counseling session (physical or virtual) may be conducted to guide students on choosing their Major, Minor, and Multidisciplinary courses.

3. Document Verification

- Physical verification of original documents, including the HSSC Leaving Certificate and Eligibility Certificate (for non-Goa Board students), will be conducted.

PREREQUISITES & ELIGIBILITY

- Applicants successfully completing their HSSC or +2 equivalent certificate recognized by Goa University with over 40% marks are eligible for the program.
- Entrance exam and/or interview with the applicant.

**Graduate Program
Grant in Aid**

Bachelor of Physical Education [BPed]

2 years • 50 Seats • Graduate Program

GRANT IN AID (ACADEMIC YEAR 2023-24 ONWARDS)

The Graduate Program is designed exclusively to train and equip physical education teachers for secondary and higher secondary schools. This program also has a large scope in the field of health and fitness.

The NCTE recognised BPed program delivers professionally fit Physical Education teachers with good strong Academic and practical foundation that are capable of responding to the changing needs of the modern Indian Society with the challenges and opportunities available there

FEATURES & HIGHLIGHTS

- A vibrant curriculum that has an equal mix of practical and theory components contributing to the overall development of mind and body.
- Providing on-field experience of officiating various events across the state.

- An integrated 20 day full time internship giving hands-on Physical Education experience in Secondary & Higher Secondary Schools.
- Advancing personality development, skills, morals and values through an annual leadership camp.
- Exploring placement opportunities by inviting schools and companies for campus recruitment.

ADMISSION PROCESS

- Admission to this program is merit-based, based on the performance at the Don Bosco College BPEd. Entrance Test and Personal Interview.
- The applicants must register for the program by filling up the online application and providing necessary information in the form of data, documents and photographs.
- On successful verification of the online application at the BPEd. Entrance Test will be scheduled and conducted subject to Govt notifications.
- Based on the results of the BPEd. Entrance Test the applicant will be short listed and intimated of the same.
- Student candidacy will be confirmed on payment of Academic Fee.

BPED. ENTRANCE TEST STRUCTURE

1. INTERVIEW/CERTIFICATE: 10%

- a. Level of Sports Participation

2. PHYSICAL FITNESS TEST: 60%

- a. Bleep Test - CV Endurance
- b. Push-Ups - Upper Body Strength Endurance
- c. Vertical Jump - Explosive Strength in Legs
- d. Modified Sit and Reach - Flexibility
- e. 30 meters Sprint - Speed
- f. Sit Ups (Abdominal Endurance)

3. WRITTEN TEST: 30%

- a. Games and Sports
- b. Basics of Human Anatomy
- c. Basics of statistics

- d. Results of Olympics, World Cups
- e. Sports Awards and Sports Personalities
- f. Different Competition and Formats in Games and Sports

Note: Students must produce medical certificates (Government) to appear entrance test

PREREQUISITES & ELIGIBILITY

- Applicants who have successfully completed a three year undergraduate program recognized by Goa University with 50% aggregate marks are eligible for this Post graduation program.
- Students should have representation in a sport or game at International / National / Inter-University / State Championships / Inter Collegiate Level.

COLLEGE COMMITTEES

In an effort to decentralize and streamline the academic and administrative process, committees are constituted. These committees are directed towards achieving the college mission which is to provide youngsters with an integral formation of academic, professional and human commitment. The college mission acts as the benchmark for setting as well as evaluating the objectives, goals and targets of the committees.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

Established in 2020, the IQAC works towards continuous improvement and quality enhancement in all academic and administrative processes. It fosters a culture of excellence, innovation, and lifelong learning.

CAPACITY BUILDING COMMITTEE

The committee undertakes initiatives both on and off campus aimed at community development and environmental sustainability. It encourages student participation in outreach activities that foster social responsibility and holistic growth.

TRAINING, INTERNSHIP & PLACEMENT CELL

The college is committed to preparing students for both higher education and professional careers. Through training sessions, career guidance programs, internships, and placement drives, the cell ensures students are industry-ready and future-focused.

CULTURAL & LITERARY COMMITTEE

This committee provides a vibrant platform for students to explore and express their talents in cultural and literary domains. It fosters creativity, critical thinking, and cultural exchange, contributing to the development of well-rounded individuals. Signature events like *Meteora* further enhance student engagement and talent showcase.

DISCIPLINE COMMITTEE

Guided by the Don Bosco Preventive System, the college emphasizes reason and self-discipline to ensure the holistic development of students in a respectful and value-based environment.

EVALUATION & FEEDBACK COMMITTEE

The college follows a continuous evaluation system supported by regular feedback from students, faculty, and stakeholders. This ensures consistent improvement in academic and institutional performance.

COLLEGE EXAMINATION COMMITTEE (CEC)

Responsible for the efficient conduct of examinations, the committee ensures transparency and adherence to Goa University guidelines under the supervision of the Principal and Chief Conductor.

COLLEGE UNFAIR MEANS INQUIRY COMMITTEE (CUMIC)

The College Unfair Means Inquiry Committee (CUMIC) ensures the integrity and fairness of the examination process by addressing cases of unfair means and malpractices. It functions as a formal body to receive, investigate, and resolve complaints in a transparent and impartial manner, while upholding academic discipline and ethical standards within the institution.

INSTITUTION INNOVATION COUNCIL (IIC)

The IIC promotes innovation, entrepreneurship, and creative problem-solving among students. It encourages ideation, incubation, and participation in national innovation initiatives.

RESEARCH & DEVELOPMENT CELL

The college fosters a research-oriented environment by encouraging faculty and students to undertake research projects, publish papers, and collaborate with academic and industry partners.

ACADEMIC MONITORING COMMITTEE

This committee oversees academic planning and execution, ensuring smooth functioning of teaching-learning processes and maintaining academic standards.

INTEGRATED GOVERNMENT ONLINE TRAINING (IGOT - KARMAYOGI)

The institution promotes participation in the iGOT Karmayogi platform, enabling students and staff to access government-certified courses for continuous professional development.

ACADEMIC BANK OF CREDITS (ABC) COMMITTEE

The committee facilitates the implementation of the Academic Bank of Credits, enabling students to earn, store, and transfer credits across institutions in line with NEP 2020.

NSS COMMITTEE

The National Service Scheme unit engages students in community service, social awareness drives, and nation-building activities, nurturing a sense of responsibility and leadership.

ADMISSION COMMITTEE

The committee ensures a transparent, fair, and efficient admission process in accordance with government and university guidelines.

CAMPUS MINISTRY CELL

The Campus Ministry focuses on the spiritual and moral development of students through value-based activities, counselling, and faith formation initiatives.

INSTITUTIONAL SOCIAL RESPONSIBILITY CELL (ISR)

The ISR Cell promotes ethical responsibility and community engagement by organizing outreach programs, sustainability initiatives, and social impact projects.

ACADEMIC LOGISTICS & SCHEDULING COMMITTEE

This committee ensures the efficient planning and execution of academic timetables, resource allocation, and scheduling for smooth institutional functioning.

TEACHING LEARNING & EVALUATION COMMITTEE (TLET)

TLET focuses on enhancing teaching methodologies and learning outcomes through innovative practices, faculty development, and continuous assessment strategies.

INDIAN KNOWLEDGE SYSTEM (IKS) COMMITTEE

The IKS initiative integrates traditional Indian knowledge and practices into modern education, promoting cultural awareness and holistic learning.

NAAC STEERING COMMITTEE

This committee coordinates quality assurance processes, documentation, and accreditation activities, ensuring the institution meets and sustains NAAC standards.

INTERNAL COMPLAINTS COMMITTEE (ICC)

The Internal Complaints Committee is constituted in accordance with the Vishaka Guidelines, ensuring a safe and respectful environment for all. It addresses complaints related to sexual harassment through a fair and confidential redressal mechanism, while promoting awareness and preventive measures in line with the Sexual Harassment of Women at Workplace Act 2013.

LIBRARY

The college library serves as a knowledge hub with a vast collection of books, journals, and digital resources. It supports academic research, self-learning, and intellectual growth in a conducive environment.

MEDIA & PUBLICITY COMMITTEE

The committee documents and promotes college activities through various media platforms. It plays a vital role in shaping the institution's public image and preserving its vibrant campus life.

NODAL OFFICE

The Nodal Office ensures effective coordination and communication across various departments and committees, maintaining accuracy and efficiency in institutional processes.

PREVENTION OF RAGGING COMMITTEE

The college maintains a zero-tolerance policy towards ragging. The committee ensures a safe and welcoming environment through strict monitoring, awareness, and preventive measures.

SPORTS COMMITTEE

With excellent sports infrastructure, the college actively promotes physical fitness and sportsmanship. Students are encouraged to participate in various competitions and athletic events.

STUDENT GRIEVANCE REDRESSAL COMMITTEE

This committee provides a structured and confidential mechanism for addressing student concerns related to academic and administrative matters, ensuring fairness and transparency.

WOMEN DEVELOPMENT CELL

The Women Development Cell promotes gender equality, empowerment, and a safe campus environment. It organizes programs that build confidence, leadership, and awareness among women students.

ASSOCIATIONS

DON BOSCO COLLEGE ALUMNI ASSOCIATION (DBCAA) – REGD.

The Alumni Association fosters a strong network between past and present students of the college. It supports institutional growth through mentorship, career guidance, and active involvement in college initiatives.

PARENT TEACHER ASSOCIATION (PTA)

The PTA serves as a platform for collaboration between parents and faculty, ensuring the overall development of students. It facilitates regular interaction and constructive feedback to enhance the academic environment.

CAMPUS CLUBS

Clubs provide students with opportunities to engage with their peers across faculties, gain valuable leadership experience, and work to achieve common goals, while developing social and professional relationships. Clubs are crucial to the student experience on campus and consistently preparing and planning engaging student events and activities.

BOOKS & BEYOND

Are you an aspiring writer looking for a place to hone your penmanship? Or are you longing for a platform to pour out your frustrations with the world? Then the Books & Beyond club is just the place for you! This club is fuelled by a desire to instill and feed into a love for reading and embrace the art of writing.

CLUB CADENZA

Singers! Songwriters! Musicians! Here's your chance to showcase your talent and be a part of our college band. The Music Club is a place that will recognize your talent and give you the platform you need to grow and learn in the field of music in Goa. Apart from simply celebrating music for festivals we will hold interactions with experienced musicians, talented singer-songwriters and many others doing their bit in the music industry. So, if you're into music, join in for all the fun and learning!

ECOTIVA CLUB

Nature treats us gently and nurtures us throughout our life; but human greed destroys it. Destruction of the environment leads to disastrous consequences for human beings. This is the right time to wake ourselves up and take up our future in our hands. If you want to be a nature-warrior, this is the club for you!

HERITAGE CLUB

If you are a paleophile keen on learning more about your culture, the stories that surround the different villages of our state, the beliefs, practices and inscriptions that dot some of the most well-known monuments, then you've come to the right place!

THE PIXELS CLUB

Wouldn't it be wonderful if you could seal some moments in memory so that they never go away? Sadly, not all memories stay intact within the recesses of our mind, but those captured through the eye of a lens certainly do! Welcome to Pixels', the Photography Club of Don Bosco College.

THE CINEMANIACS

Lights! Camera! Action! If you're passionate about working behind the camera, performing in front of it, or simply captivated by the magic of movies, welcome to Don Bosco's CINEMANIACS. Join us for an exciting journey filled with movie screenings, engaging discussions, intriguing workshops, and challenging quiz competitions!

WELLNESS CLUB

While people are now starting to take this adage seriously, the Wellness Club of Don Bosco College has always been paving the way towards better and healthier living.

TECH SAVVY (IT CLUB)

The IT Club, *Tech Savvy*, promotes digital literacy, innovation, and technical skills among students. It organizes workshops, competitions, and hands-on sessions in areas such as coding, design, and emerging technologies.

BIZ CLUB

The Biz Club nurtures entrepreneurial thinking and business acumen among students. Through case studies, guest lectures, and interactive activities, it provides insights into real-world business practices and management skills.

STUDENT GOVERNANCE BODIES

STUDENT COUNCIL

The Student Council represents the student body and plays a key role in organizing events and activities. It acts as a bridge between students and administration, promoting leadership and responsibility.

CLASS REPRESENTATIVES FORUM

This forum comprises elected class representatives who voice student concerns and contribute to academic and administrative discussions. It ensures effective communication and student participation in decision-making.

METEORA COMMITTEE

The Meteora Committee is responsible for organizing the college's flagship inter-collegiate fest, *Meteora*. It provides students with hands-on experience in event management, teamwork, and leadership while showcasing diverse talents.

College Anthem

We hail you, Don Bosco,
Saint of youth, guiding us forward,
With love and truth
Lead us to God above, in your mercy and in your love.

**Don Bosco, bless our college and all who guide,
May your grace forever abide.
In our hearts, your love reigns high,
Don Bosco, bless our college and all who guide.**

At Don Bosco College, your spirit lives,
Inspiring us through all our days.
You understood us when no one could,
Instilling holiness in our youth so good.

**Don Bosco, bless our college and all who guide,
With you in our hearts, we walk with pride.
Saint of youth, we sing your name,
Forever loyal, forever saint.**
